

TARRAS COLLIE DOG CLUB CENTENARY, 2023

It is the club's intention to publish a booklet next year to mark its first 100 years. But to do so we will first need the assistance of members past and present, plus other dog trialing friends and/or rivals, families of members/competitors no longer with us, enthusiasts, associates and spectators.

The help we need are stories/anecdotes from previous Tarras CD club events and lots of photos - of dogs, competitors, trophies, helpers and supporters -- from over the years. If you can help with any of this vital information, please write up your recollections and email them to the compiler, Dave Cannan, at cannan38@xtra.co.nz, or post the material to him c/o 38 Milburn St, Corstorphine, Dunedin 9012, as soon as you can.

We want to make this a comprehensive and readable history, so anything you can do to help by supplying information will be greatly appreciated. Photos should be emailed as jpegs or just send the pictures to the above address. All will be returned. If you have any questions, ring me on 0275 577 686 or (03) 487 8141. Thank you, Dave Cannan.

Gets Ready

and we'll get ready for emergencies together

Emergency Management Otago has partnered with CODC and Neighbourhood Support to establish Central Otago Gets Ready. Only 12 households in Tarras have already joined the network so far.

Sign up for Gets Ready at www.otago.getsready.net

What does Gets Ready do?

- Sends you alerts in an emergency
- Lets you register family members or friends who may need extra help in an emergency
- Lets you register your skills, resources or help you can offer others in emergencies
- Helps prepare neighbourhoods to be part of a coordinated community response

TARRAS SCHOOL

Tena koutou

Students had a fantastic time during Walk N Wheel week, which is a nationwide programme to encourage healthy alternatives to getting to school. The majority of our students use the school bus to get to and from school, so students were encouraged to ride their bikes at break times to build up to their recommended 60 minutes of physical activity per day. All students participated in a wheels ride around the Munro Lane, Church Lane and Jolly Road loop twice over the week. Ella from Sport Central paid the students a visit and left each child a little gift for being such enthusiastic participants. A photo of the students appeared on the front cover of the Cromwell and Districts News.

Literacy is under the microscope for NZ learners after a recent report has been published. Tarras School students are lucky to have a wonderful library and access to a huge variety of books. Tarras School students have a rich English curriculum exposing them to different authors, writing styles and the opportunity to speak and listen in different contexts.

The Trustpower Lend a Hand Foundation has provided funding for \$1000.00 worth of new books to be purchased. This will support our aim to fill our library with some classics and some more New Zealand authors. If you want to support our library by donating funding for books that will be happily received, students enjoy looking for books that have a community member's name in them. Thanks to Paper Plus in Cromwell who have supported us by sourcing the books.

The school swimming pool will close for the season on Thursday 14th April. Keys will need to be returned to the office and then deposit refunds will be processed by Letitia.

If you have a 4 year old at home who would like to see what school is about, contact principal@tarras.school.nz to find out about school visits. We are also happy for students to join us at any point on their school journey between Years 0 and 8.

Term 1 ends on Thursday 14th April
