TARRAS SCHOOL

Kia ora

As we come to the end of what was an unexpected school break, we hope that level 2 arrives soon and students can be back in the school grounds with teaching staff. Learning from home can create demands on everyone in the house and teaching staff thank all parents who have ensured their children are safe and happy during this unknown time. Teaching staff have really enjoyed seeing the activities students have completed. There has been a whole range of activities completed including cooking, creating musical instruments, make up lessons, sewing and drawing. Alongside this they have been keeping on top of the basics like number knowledge, phonics and writing. Well done to all our students for remaining on task throughout the lockdown - it certainly is not easy.

After lockdown we will welcome 2 new families within a couple of weeks of each other, all students are freshly 5 and will come into our Year 0 /1 class :

- Charley and Frankie Boyd
- George Savage

Tarras School is a full primary school which means it can accommodate students in years 1 - 8. If you have a child turning 5 in the next year, be in touch to organise them visiting school and learn how you can be part of our amazing school community. We welcome anyone with children at any stage of their Year 0 - 8 schooling who want to see what Tarras can offer - be in touch: principal@tarras.school.nz.
