

After the Level 4 Alert lifts, Steve Rumore is happy to come help with all manner of farm repairs especially with his portable welder, small Bobcat jobs, caravan repairs he can pick up and deliver and more. Reach him on 0272226600.

In the meantime, remember vitamin C, D and Zinc are great boosts to our immune systems. If you spot any ripe rosehips on your self isolation walk, whizz them up and pop them in your teapot for a great natural vitamin C boost! Sending vital health wishes for us all, Steve and Jen Rumore (& fam)
