Tarras Pony Club

The Tarras Pony Club officially went into recess in 1996. At that time Jan Gibson, John Lucas, Matt McCaughan and Barb Annan were appointed as trustees of the Pony club. The appointed Trustees have administered the funds from that time. In 2012 donations were made to both the Hawea Wanaka Pony Club and the Cromwell Pony Club. The remaining funds have now been distributed to The Central Otago Pony Club Association to be used to sponsor Cross Country Jumps for the upcoming New Zealand Pony Club Championships which are to be held in Cromwell in 2021. Signage will identify which jumps have been sponsored by The Tarras Pony Club. The Cross Country Course at the Cromwell Racecourse will be available for riders to use in the future thus benefiting young riders in the Central Otago Community.

TARRAS COMMUNITY CHURCH

We are pleased to advise that we now have a building consent to complete the strengthening works at the church. These works will take about one month to complete and therefore there will be no service at the church in October. We hope to be up and running again in time for the November service.

Next year marks the centenary of the Tarras church and plans are underway to mark this important milestone. More details soon."

Tarras Golf Club

Our 3 day Tournament went well last month. We had good weather and good entries. The Club would like to thank the Tarras Friends of the School for taking care of the food on the Men's days. Thank you to Rex and the Green's Committee and the men who attended the working bee for the way the Course was presented, it was great. Rex has resigned as Greenkeeper and Paul Seeney has taken over. Many thanks for all your work Rex and welcome Paul. Thankyou to everyone who helped out before and during the Tournament.

TARRAS SCHOOL

Kia Ora

Covid-19 : If you are entering the Tarras School building it is a requirement to scan the Covid-19 tracker QR code, located at all entrance points, or sign in using our paper registers. This is a requirement and will assist with contract tracing if necessary. We thank you for your compliance.

Students had Tarras School have completed the first full term of 2020 - hasn't Covid-19 created a strange year. Term 3 has been full of learning - using the classroom and the local environment. Students have explored their local mountain and become ski and snowboard experts, started to upgrade the vegetable garden beds, created wonderful pieces of writing based on their memories, learned how to read and gather data, trained and competed in cross country races, explored how to launch rockets and created a large scale map of New Zealand.

Tarras Students would like to invite any one who has a special skill they would like to share with the them to get in touch - this can be a one off event or a longer term project.

SEEDLING SALE : SATURDAY 31ST OCTOBER 2020 : 10am

Come and grab those last seedlings for your garden to create a bounty of produce for the summer months. We welcome seedlings grown by others that we can sell to raise funds for our Garden to Table project, drop at school on Friday 30th October. It can be vegetables, flowers or fruits.

School Enrolment?

If your child turns 5 or 6 in the next year now is a good time to start exploring your school options. You can request a school visit or school information from principal@tarras.school.nz. Tarras School is excited that the BOT have decided to fund, with FOTS support, a second teacher to focus on junior learning for 2021. This means small class sizes, individualised learning and unique opportunities in a wonderful setting. Tarras School also asks Tarras children in years 1 - 8 who currently attend schools out of the area to reconsider their options and cut out the drive and attend your local school - #supportlocal.

Friends Of Tarras School (FOTS)

A huge thank you to everyone who came along to the pop up restaurant on Friday 18th September. It was a well attended evening in our local community. The funds raised will go towards supporting the cost of our second teacher, Mel. There is talk of another one to start the year off so keep an eye on Tarras School Fundraising facebook page.
