Residents of Tarras,
We have a newly named road in the Tarras District. The CODC has named this previously unnamed road, BOWMAN ROAD. It runs off the southern end of Maori Point Road.

The road has been named after John Bowman, a miner who lived in the area in the 1860s. He prospected for gold on the banks of the Clutha River/Mata-Au. In Bowman’s time the surrounding land was part of the great Morven Hills Station. The area became known as Bowmans Flat.

We are pleased that this historical name will not be lost to the District.

Friends Of The School Thank You

We would have had a busy couple of weeks with different catering events happening. We would like to thank the Tarras Golf Club for giving us the opportunity to cater for their recent tournaments held earlier in September. These were 3 enjoyable days which ran very smoothly and we look forward to working together again next year.

We also recently catered for the Rogaine run by Highland Events around the Tarras District. This was a great event which ended with 150 very hungry people at Tarras School. A special mention to those who donated food, helped with the preparation and on the day.

TARRAS SCHOOL

Kia Ora

We are now on our October holidays with school returning on **Monday 14th October**.

In our last week we entertained the Wanaka Prime Timers. The students put on a small performance and then showed their guests around the school grounds. The students enjoyed having someone new to listen to them read, if you would like to share books with our students, a one off or on a regular basis, send Rachele an email.

Our skink garden is progressing well, plants are in and rocks all placed. Pete worked with our Year 4 & 5 students to use pulleys and levers to move the biggest rocks - with the whole school moving one rock as a team effort. Students are looking to make a gate, if you have any fence posts, timber or fencing you would like to donate the students would be most appreciative. The vegetable gardens are growing garlic and potatoes so far this year, we have left some beds to rest this year and the students have worked hard to ensure these are weed free. Any donations of straw would be gladly accepted to ensure these remain weed free until we require them.

Our annual seedling sale is on Saturday 19th October between 10am and 12.30pm. So far we have beetroot, pumpkin, sunflowers, peas, broccoli to sell. If you have any spare seedlings this year, Tarras School will gladly accept them.

Students completed their 6 week ski season at Cardrona and all progressed with their skills. The students enjoy going to Cardrona as they are able to learn to ski/snowboard and how to use the park equipment safely. I am sure we have some future snowstars in our school.

Wishing everyone a happy transition in daylight savings!

Rachele, Chrissy, Steph, Letitia, Pete and Gae.

YOGA IN TARRAS

with Jennifer Rumore begins Tues 10 Sept and is offered each Tues from 7:00-8:30pm at Tarras Hall.

From helping sore backs to improving sleep, more peace of mind to greater flexibility in general, I feel grateful to share time supporting wellness together.

This is suitable for men and women--helping balance many aspects of body and life.

Classes will be \$17 on a casual basis or \$150 for a 10 session pass, and your first class tuition is half price! Please just turn up or contact me on 0220974596 with questions.

Tarras Rural Women

The rural women enjoyed a night with Royalty when they went to watch Downton Abbey at Paradiso last month.

A group of ladies completed a working bee at the Tarras Cemetery, lavenders were planted, roses pruned and lots of weeding completed.

The next Rural Women's meeting will be on 16th October in the supper room at 7.30pm. The meeting is titled "3 songs and a book".

Any local ladies are welcome to come and join any of the rural women meetings, you do not have to be an official member.

The meetings aim to provide social and learning opportunities for rural women.
